Jane,

Wanted to keep you in the loop about a recent inquiry about the Cargill/Redwood City JD status.

Jared Blumenfeld contacted my Boss (BG Toy) this morning about a few questions he needed answered - apparently based on questions that Sylvia Quast had about what procedures we utilized in the past (at the beginning of the JD process years ago).

I did not see the information to the questions but our Higher HQ in DC informed us that they supposedly answered four questions to your HQ in DC (apparently to Stacey Mitchell). I assume that HQEPA Counsel was simultaneously asking the questions of our HQUSACE Counsel based on the questions already being answered?

Wanted to ensure that you were not blindsided in case Jared asks you about any updates. BG Toy was going to send a follow-up e-mail to Jared.

Thanks.

John
